CYCLING STUDIO RENOVATION

ATTENTION MEMBERS

Great news! The cycling studio is being renovated including brand new bikes by Stages Cycling. This project requires the spin studio to be shutdown. The spin studio will close on Monday August 19th and reopen Sunday September 8th with a grand reopening event. More details to come on this event! Look for a new schedule to start Monday September 9th, 2019. We can't wait for you to experience a whole new ride at the MAC.
