## MASON COMMUNITY HEALTH CENTER

Your first choice for:

Urgent/Primary care

Laboratory

Radiology/X-ray

Physical Therapy

Cardiopulmonary

Audiology

### Convenient Care

You don't have to leave your neighborhood for your basic health care.

Convenient care is just minutes away for your minor emergencies, lab work, X-rays, physical therapy, audiology and cardiopulmonary needs.

### Close to Home

The Mason Community Health Center is just minutes from home.

Nestled in one of Mason's residential communities, the Mason Community Health Center has three primary care practices on site and is fully staffed to provide basic and urgent care.

### Urgent Care

As Mason's only urgent care facility, the Mason Community Health Center offers close, convenient care when you need it. Residents of Mason, Dansville, Holt, Leslie, Stockbridge, and Onondaga don't need to drive to Lansing or Jackson for emergent care. Minor injuries, illnesses, cuts, and bruises for both children and adults can all be treated at the Center. We also are available for influenza and allergy shots. The Mason Community Health Center is open to serve your health care needs from 8 a.m. to 10 p.m.

### Laboratory Services

The Mason Community Health Center is close and convenient for lab work. Blood tests are provided from 7 a.m. to 10 p.m. Monday through Friday, and Saturdays from 8 a.m. to 10 p.m. In most cases, your laboratory needs can be met in just minutes.

### Physicians On Site

With pediatricians and internal medicine specialists on site, the Mason Community Health Center is your family's most convenient resource for general health care and wellness. For urgent care, routine testing, pediatric care, physical therapy, audiology, X-rays and much more, the Mason Community Health Center is just minutes from home.

### Outpatient Therapy

Why drive to Lansing or Jackson for physical or occupational therapy? The Mason Community Health Center is your most convenient and complete choice for physical therapy. Our state-of-the-art facility has the latest equipment and licensed physical therapists on duty Monday through Friday from 7 a.m. to 5:30 p.m.

### Radiology/X-ray Services

X-rays, ultrasounds and general radiology work are all available at Mason Community Health Center. We take your busy schedule into consideration. We are open every day from 8 a.m. to 10 p.m.

### Audiology

Each month, the Mason Community Health Center provides scheduled hearing assessments for adults and children. Hearing aid selection, dispensing and repairs are provided. A licensed Audiologist is on site regularly to take care of patients' audiology needs.

The Mason Community Health Center is proud to offer state-of-the-art equipment and the latest technology to provide high quality, convenient outpatient health care.

### In Touch with the Communities We Serve

An important component of the Sparrow Health System, the Mason Community Health Center serves more than 19,000 patients a year. Guided by a citizens' group, the Mason Community Health Center Advisory Committee, the Center receives regular input regarding community needs and constantly looks for ways to improve its health care services.
