

Sparrow Specialty Pharmacy

Frequently Asked Questions (FAQ)

What is the Sparrow Specialty Pharmacy?

This program provides specialty medicine and personalized support to help you manage your condition so you can live better and stay healthy.

What Is a Specialty Medicine?

A specialty medicine is one that:

- » Needs extra attention from your healthcare team
- » May treat a rare, serious, or chronic condition
- » May be expensive
- » May be given by mouth or by injection

Why Do I Need a Specialty Pharmacy?

These complex and costly medicines:

- » May not be available at your local pharmacy
- » Usually require special storage and handling
- » May have side effects that need to be monitored by a trained pharmacist

How Can I Contact the Sparrow Specialty Hospital Pharmacy?

You can call us at **833.485.0222** (toll-free) or **517.364.2720**.

How Do I Refill My Medicine?

You can request a refill by calling **833.485.0222** (toll-free) or **517.364.2720**. You can request a refill at any time, but please give us a five-day advance notice to address any problems that may have arisen since the last time it was given.

How Much Will My Medicine Cost?

Your co-pay amount will vary based on your insurance plan. We will tell you the total after we have processed your prescription.

What If I Can't Afford My Medicine?

You may qualify for financial help through drug companies or charities. We will review all options with you. If you meet requirements for a program, we will help you enroll.

What If My Insurance Doesn't Cover My Medicine?

Our staff works directly with your doctor and insurance company to obtain coverage for your therapy. If it is denied, your provider will discuss other options with you.

Can I Still Get Access to My Specialty Medicine If I Lack Prescription Insurance?

Some drug companies offer assistance programs. If it is available, we will help you enroll in the program.

Does Sparrow Specialty Pharmacy Have Access to All Specialty Medicines that are FDA Approved?

Sparrow Specialty Pharmacy is able to provide you with most specialty medicines. If we do not have access to the drug, we will transfer your prescription to a pharmacy that does have access. We will have the new pharmacy contact you.

Will My Insurance Company Let Sparrow Specialty Pharmacy Dispense the Drug?

The Specialty Pharmacy contracts with most insurance companies. Sometimes your insurance will require the use of another pharmacy. In these instances, we will transfer your prescription and have the new pharmacy contact you.

Will You Ever Substitute My Medication With Another?

From time to time, it is necessary to substitute generic drugs for brand-name drugs. This could occur because of insurance company guidelines or to reduce your copay. If a substitution needs to be made, a member of the specialty pharmacy staff will contact you.

Will Sparrow Specialty Pharmacy Ever Call Me?

We will call you to:

- » Discuss your prescription and copay amount
- » Set-up the initial delivery and refills

We may also call you to:

- » Verify prescription insurance information
- » Obtain documentation of your income to enroll you in a program for financial help
- » Counsel you on your medicine
- » Tell you that the prescription must be transferred to another specialty pharmacy
- » Notify you of any FDA recalls of your medicine

When should I contact your pharmacy?

You should call the Sparrow Specialty Pharmacy if:

- » Your address, telephone number, or insurance information has changed
- » You have any questions regarding the status of your prescription
- » You have concerns regarding how to take your medication
- » You would like additional information regarding your plan for therapy
- » If you suspect an error in shipping or dispensing has occurred
- » If you suspect your medication has been recalled by the FDA

Being a patient of the Sparrow Specialty Pharmacy is optional. If you would like to use another specialty pharmacy, contact us to help you with the transfer of your prescription.
